

Our Code of Conduct

Our Responsibility to the Communities We Serve

- We Are Committed To:
- Make the communities we partner with our primary responsibility
- Foster maximum self-determination in individuals and communities
- Community and individual empowerment
- Hold service to be the most important element of our work
- Respect individual's privacy and confidentiality
- Maintain a high level of professional integrity and professionalism
- Engage in lifelong learning to maintain competence
- Guide practice and programs according to scholarly inquiry and use evidence to inform best practices

Our Responsibility to Colleagues, Donors, and Partners

We Are Committed To

- Treat colleagues, donors and partners with respect, fairness, and courtesy
- Adhere to our professional obligations and the core values of Reaching Across Borders
